

I am outraged by Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is an improper use of public airwaves. I ask the FCC to intervene and to not permit this infringement. At the very least, any station that airs what amounts to a free movie-length political ad in support of one candidate should not have its license renewed.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
